Hi Mark, we've scheduled some time to talk at 1pm on April 18, here in our office in the Embassy Vatican chancery. If that doesn't work for you just let us and Michael Lee know. Otherwise we look forward to meeting you next week. Safe travels!

Yes, I am very much looking forward to meeting with the two of you to discuss the Vatican visit. And, if we are able to fit it in on Tuesday that works for me. Look forward to seeing you then.

Best regards, Mark

Thanks Mark. We were hoping to change the meeting to Apr 18. Emmett and I hoped to meet with you together if that works for you.

I know you've had some exchanges over the phone, but we're looking forward to talking through the possibilities for the Vatican more specifically.

Thanks,

I know we had penciled in 11am on Monday, April 17th, to meet, but I wanted to confirm that still worked for you. I understand that day is "Easter Monday" and that many, if not all, Embassy staff will be off that day. I also see that [Ex. 6 - Personal Privacy] scheduled a meeting with [Ex. 6 - Personal Privacy] for me on Tuesday, April 18th.

I would be happy to meet with you on April 17th, but if that doesn't work for you, I completely understand.

Best regards, Mark

That sounds great. Do you want to pencil in 11am?

Hi [Ex. 6 - Personal Privacy]

I wanted to let you know that I will be in Rome in mid-April to advance EPA Administrator Pruitt's mission to Italy. If you are available, I wonder if you would have time to spare on April 17th to go over any issues for a visit to the Holy See. I imagine that [Ex. 6 - Personal Privacy] is going to have me quite busy on April 18-19.

Let me know if this would work for you.

Best regards, Mark

Thanks [Ex. 6 - Personal Privacy]

I will be in Montreal on May 4th for the CEC and hosting the Canadian Bilateral on May 5th in Washington so those dates are out.

It looks like we would need to shoot for 18-19. If you have details on the EMM Marine Litter W/S let me know and we will see if it is appropriate to extend.

Mark

Hi team EPA,

Ex. 6 - Personal Privacy and I have DOE visitors now at an expected marathon meeting into the evening, so we won't be very responsive, but here are our windows of time (between other ministerials, NASA visits, Space Apps, etc.):

4/18-19 (20 and 21 is the EMM Marine Litter W/S, perhaps you could stay for that Mark— or will you be coming out Hodayah?)

The Environment Communique meeting is in Siena May 3. I'm going to stay over to do an event on A Plastic Ocean at Siena University May 2. The Italians want to host the EMM communique meeting May 3 in Siena, which I presume would also be you, Hodayah?

I would be back in Rome for an advance May 4 and 5. From May 8 on, Ex. 6 - Personal Privacy will be working on credentials for G7 in Sicily May 26-27.

What works for your team?

Thanks, Ex. 6 - Personal Privacy
